Evidence-based Practices that Promote Recovery

September 18 & 19, 2006
Yakima Conference Center
Yakima, Washington

Online Registration available at www.dasa.casat.org

The conference will highlight evidence based practices and strategies proven to be effective in treating persons with co-occurring disorders.

National plenary presenters include:

❖ **Marsha M. Linehan, Ph.D., ABPP, University of Washington**

Dr. Marsha Linehan is a national expert on trauma. She leads a consortium of research projects developing new treatments and evaluating their efficacy for severely disordered and multi-diagnostic populations. Her primary research is in the application of behavioral models to suicidal behaviors, drug abuse, and borderline personality disorder.

❖ **Yvonne Perret, M.S.W., M.A., LCSW-C**

Ms. Yvonne Perret is a national expert on expediting individuals with disabilities onto SSI/SSDI. She has overseen an innovative program in Maryland that expedited individuals that were homeless onto benefits. Yvonne has created a national curriculum at the national level called *Stepping Stones to Recovery: A Case Manager's Manual for Assisting Adults Who Are Homeless with Social Security Applications*.
